

SCHOOL OFFICE /MAIN RECEPTION

Access to the school office is by appointment only. This is to protect the school community - parents, staff, pupils and visitors. Office staff are exposed to everyone in the school. Any infection in the school office is highly likely to affect everyone in the school and spread very quickly.

Kindly email the school office with your query: admin@biglandgreen.towerhamlets.sch.uk You may also call the school office on 020 7702 7088 if your query is urgent. Kindly be reminded that the school policy is to deal with queries within 10 school days. If you do not get a response within that time, then please call and talk to the Office Manager.

Thank you for your understanding and your continued support.

AFTER SCHOOL CLUB SNACKS

The school will be giving children fruit as a snack for after-school clubs and Learning Minds sessions. There is no need to send in additional snacks with children. Thank you for the support as we try to limit

contact in line with the school's risk assessment.

HAND HEALTH

As we are all washing our hands more frequently, we need to look after them to avoid chapped skin. A pharmacist can help if your hands are very dry or sore. We encourage parents to use creams that will help at home and avoid children bringing them to school unless they have specific prescriptions for eczema.

YEAR 1 ANIMAL WORKSHOP

The Animal Zoo Workshop visited year 1. They came with many animals that the pupils will learn about in their Science and Art lessons this term.

They saw a snake, tortoise, gecko, bearded dragon, scorpion, tarantula, Lionhead rabbit and a hedgehog! Did you know, if you touch a Gecko's tail, it falls off? And it was changing its colour to camouflage with the blanket it lay on - just amazing! It was great! Everyone had a fantastic time.

FACE COVERINGS

We are reminding parents to please use face coverings when dropping off and picking up their children. Kindly maintain social distancing at all times. Follow the one-way walking system outside the school at all time (e.g. Bright Minds). Thank you for your support with keeping the children and school community safe.

EAST END PROJECT

The school was nominated by East End Project for the work it has done to support children's learning in these difficult times. The school would like to thank the project for their generous gestures. We would also like to thank all the pupils and their parents for their strong support and great enthusiasm.

RECEPTION 2021 APPLICATION

A reminder for current Nursery parents to apply for a place in Reception for their child. You must apply via the e-admissions portal. Closing date for making applications is 15 January 2021.
