## AIMING FOR EXCELLENCE

During the half-term, pupils who are on the Year 6 PiXl intervention programme have been invited to attend school from Monday 26 October to Friday 30 October 2020 for tutorial support. Further information has been sent to relevant parents.

We would like to say a big well done to all of the pupils who will be making the effort to attend the programme and to all the parents who are supporting their children.

## BIG DRAW 2020

This year we focussed on expanding our ideas about what drawing can be, and how the arts can give us a new perspective on good health and wellbeing. You will see a lot of work inspired by nature, as a connection with the natural world is one of the best ways science has found to promote great long-lasting mental and physical health. There will be more photos in next week's newsletter.
