

## A MESSAGE FROM THE SCHOOL CABINET

Here at Bigland Green, we thoroughly enjoy the learning we do throughout the day. In order to take advantage of the amazing learning opportunities, it is important we all attend school every day. Great attendance to us means that as pupils, we strive to attend daily, with the intention of completing excellent learning. This will help us to become successful, as we will be able to learn many important skills that will be useful for us in the future as well as our present.

We have high expectations and aspire for every pupil to be an Attendance Hero. We feel this is important because being a hero means we are strong, brave and inspirational to others. Being a hero demonstrates that we are determined to win and be successful, and as Cabinet members we want our peers across the school community to also aim high and encourage others to do the same. - written by the School Council Cabinet members (Years 4, 5 and 6).

## A MESSAGE FROM OUR PARENT GOVERNOR

As parents, there is no doubt that we want our children to become successful and happy individuals who will make a positive contribution to society in adulthood. The most important thing we can do is support our school in providing high-quality education to our children by ensuring our children are making the most of every single day in school, on time.

Following the pandemic, many parents have had a real insight into the level of education our children really do at school as well as their abilities and how much effort staff put in. I therefore urge fellow parents to give the best start to our children's' future by taking school attendance seriously and aiming for 100%.

- Umme Aysha (Parent Governor)

## School Matters!

Attend Today, Achieve Tomorrow

## A MESSAGE FROM A CLASS TEACHER

"Attendance and punctuality is the key to success for many of the children in our school: dedication in attending Bright Minds sessions and perseverance throughout the academic year has helped them achieve success in their education." - Mangay

**Quote for the Week**

“Hope is not blind optimism. It’s not ignoring the enormity of the task ahead or the roadblocks that stand in our path.”
