Geography – The Journey of our Food

Week 5: This week, you will be researching **foods from around the UK**, and preparing for your indoor-picnic next week. Firstly, have a listen to this very groovy song:

https://www.youtube.com/watch?v=RvDIZoQLgIE&ab_channel=SillySchoolEducation Draw an outline of the **UK** (or use the one in your pack)- can you now remember and label the 4 countries in the UK?

Now, find the sheet in your pack called '**How to Make UK Foods**'. Read this, write the name of the food/ingredients on your **map of the UK**! Can you draw a small picture for all the different food?

Lastly, choose which of these foods sound the yummiest- have a go at making them next week!

Week 6: Welcome to the **Great British Picnic**! This week, you will be preparing for your in-house picnic! Watch this video to find out how to make some decorations for your picnic area (with an adults help):

https://www.youtube.com/watch?v=9NOA5GwHT1w&ab_channel=ErinFrancois Perhaps you could decorate your bunting with the Union Jack? All that's left to do now is cook up some of the delicious food you researched last week (with adult support)! For a **SUPER challenge**, read this with an adult:

<https://www.visitbritainshop.com/world/articles/english-culinary-guide/> Are there any last minute foods you can cook up? What other **parts of the UK** did you research food about? **HAPPY EATING!**

Reading- Here are some very exciting e-books for you to read, now that we have more time. Happy reading!

Science

• **Week 5:**

This week you will be learning about the importance of having a healthy and balanced diet. Watch the videos below and discuss what makes a healthy diet with your family. **Draw your own food pyramid to show how much of each food group we should be eating.** Include the 5 food groups: **carbohydrates / fruits and vegetables / dairy / protein / fats and sugars.** You can draw and label food items in each category. What items of food do you have at home? What foods do you need more of? Create a healthy shopping list with your parents.

⇒ <https://www.youtube.com/watch?v=L9ymkJK2QCU>

⇒ <https://www.youtube.com/watch?v=Z51bWG17m-Q>

• **Week 6:**

This week you will continue learning about the different food groups and the importance of having a healthy and balanced diet. Watch the new videos below to remind yourself about healthy eating. **Design 3 meals for breakfast, lunch and dinner by drawing what will be on your plate/bowl/glass.** Remember to include the right amounts of food from each food group. How will you make sure each meal is different but at the same time healthy and balanced? Explain why you chose the items you did and how your meal is 'healthy'. What will make your meal even better? Write your ideas down.

Learn even more....

- Read a book for pleasure (at least 20 minutes a day). Make sure you go to the Bigland Green YouTube channel every day to watch/listen to your teachers reading books too!
- **Daily fitness with Salman** please see Bigland's YouTube channel for daily fitness with Salman
- **Art & Design:** please see the Bigland Green website and YouTube channel

- Look at these super cool **bookmarks!** Watch this video to learn how to make them.
https://www.youtube.com/watch?v=YVkJPCp_1UQ&ab_channel=RedTedArt
- We need water to keep us healthy, hydrated- and alive! Create a **water-drinking log.** Write down how many glasses of water you drink every day. At the end of the week, look back to see which day you drank the most water, and which day you drank the least.
- Go on a **musical treasure hunt!** Find 3 small objects in your house. Hide all the objects around the house. Write out instructions or clues for somebody else to find all the objects. Clap a particular **rhythm/beat** when they are close to finding the object, and a *different* rhythm/beat when they are far away. Maybe you could time how long it takes them to find all the objects too! Who can find them all the fastest?
- Wait till night time- use your hands to tell a **story** using your **shadows** on a wall. How can you use your **hands** and **bodies** to create different **shapes** or **characters**?
- THINK BIG → Discuss this question with your families: **if elephants ruled the world, what changes would you see?**

The Sound Collector - by Roger McGough

A stranger called this morning
Dressed all in black and grey
Put every sound into a bag
And carried it away

The whistling of the kettle
The turning of the lock
The purring of the kitten
The ticking of the clock

The popping of the toaster
The crunching of the flakes
When you spread the marmalade
The scraping noise it makes

The hissing of the frying pan
The ticking of the grill
The bubbling of the bath tub
As it starts to fill

The drumming of the raindrops
On the window pane
When you do the washing up
The gurgle of the drain

The crying of the baby
The squeaking of the chair
The swishing of the curtain
The creaking of the stair

A stranger called this morning
He didn't leave his name
Left us only silence
Life will never be the same
