

# Termly Attendance

## THANK YOU FROM OUR ATTENDANCE OFFICER

I would like to take this opportunity to give a big THANK YOU to parents who have worked hard to maintain excellent attendance and punctuality throughout this academic year. Also I would like to recognise parents that have worked to improve attendance that has previously been low or on the persistent absence register. This change has greatly benefited your children. I hope you have a good summer break and continue to support us and aim for 100% attendance for children returning to school in September.

## FAMILY HOLIDAYS IN TERM TIME

We have seen a vast number of parents taking family holidays at the end of this summer term. It is important to note that learning is continued until the end of the year and attendance is important. Taking time off during this time still has detrimental effect to your child's learning. It is the parents responsibility to ensure that any leave is arranged outside of school term time. Children should not be removed from school during term time without a leave of absence first being requested and please note they will only be authorised in extreme circumstances. If the absence is classified as unauthorised, parents are at great risk of receiving a Fixed Penalty Notice. These can still be issued at the beginning of the following academic year.

## CELEBRATING OUR HEROES

A huge well done to all the children who achieved 100% attendance from the beginning of the school year right to the end. We celebrated

this achievement with special certificates for all the children. All the children took part in the 100% treat where we hosted a special movie night with lots of popcorn! Please take time out to celebrate this huge achievement and encourage them for next year.
