BIRTHDAY CELEBRATIONS & TREATS

As we are a sugar smart school, we do not allow children to bring in sweets or sugary snacks to celebrate their birthdays. However, parents who want to celebrate can provide healthy alternatives such as fruits and crackers. The treats are only given out in class on Fridays, regardless of the birthday.

POLIO VACCINATION

Children aged 1 to 9 in London are being offered a dose of polio vaccine. There are signs that the virus is spreading in London and the number of children vaccinated in London is lower than it should be.

It is vital to prevent any community spread and to keep your child protected that they are vaccinated.

As a parent or guardian, you will have been contacted by the NHS asking to book an appointment with the GP for vaccination. We encourage you to take up the offer as soon as possible if you have not already done so.

SCHOOL COUNCIL ELECTIONS

The children took part in their school council elections this week. The elections are an important and exciting way for our children to learn about one of the key processes of our local and national democracy.
