They looked at the settlements of each age and how the people lived during these times.

Dawud (Tulip): "I saw some animal skulls like dogs, sheep and goats. I also saw some bowls that stone age people used to mix food."

Ayrah (Tulip): "When we looked at the mammoth teeth, it felt really rough and it looked rusty, almost like an 80's pot."

NO MOBILE PHONES AT SCHOOL

It is Bigland Greens policy to not use mobile phones on the school premises for reasons of safety. Parents are encouraged to talk to their children rather than on the phone when dropping or collecting children from school. Parents are also encouraged to talk to each other. Please talk to your child about their day in school and ask about their learning. This will encourage communication skill, listening skills and boost bonding.
