AIMING FOR EXCELLENCE ~ YEAR 6

Well done to all the Year 6 pupils who completed the 'Aiming for Excellence' booklet over the half-term break.

A big congratulation to the pupils who won and received amazing prizes for their amazing work! Thank you to all parents who helped and supported their child with their learning during the half-term.

BIRTHDAY CELEBRATIONS & TREATS

As we are a sugar smart school, we do not allow children to bring in sweets or sugary snacks to celebrate their birthdays. However, parents who want to celebrate can provide healthy alternatives such as fruits and crackers. The treats are only given out in class on Fridays, regardless of the birthday.
