Parents are requested to check the newsletter over the weekend and inform their children if they are *Star of the Week*. The 'Stars' will be celebrated in Mondays school assembly.

It is important that parents inform their children if their name is on the newsletter so that they know for when they return to school on Monday.

SPACERS FOR INHALERS

If your child uses an inhaler in school, please ensure that they have a spacer in school to use.

It is recommended that inhalers are used with a spacer for all children as it ensures correct drug delivery.

Please speak to your GP, nurse or pharmacist about finding the right spacer for your child to use.

YEAR 5 SLEEPOVER

Next Friday 1 March is the Year 5 Sleepover. Children have been given a letter with all the information for the event including a suggested packing list. We look forward to welcoming the children back at 5:30pm.

RAMADAN

Ramadan will start soon in March and we understand that some pupils may want to join their families in observing the fast. However, we need to ensure the well-being of children as the days are long. Parents are required to give written permission for their child to fast. Some exceptions may be made but please speak to the school office in advance.

- Pupils living within a 10-minute walking distance will need to go home at lunchtime to get the necessary rest. They must be collected at 12:30 and returned to school at 1:25 PM. An adult will need to collect the child or be given written permission to go alone.
- Please see school office in advance if you live more than 10 minutes walking distance from the school.

We wish all of our families a peaceful and blessed Ramadan and we appreciate your full support.

SCHOOL CROSSING PATROL OFFICER

A warm welcome to Aktarun who is our new Lollipop lady. She will be at the zebra crossing outside of the school at 8.50AM and 3.20PM in the afternoons.

BIRTHDAY CELEBRATIONS & TREATS

As we are a sugar smart school, we do not allow children to bring in sweets or sugary snacks to celebrate their birthdays. However, parents who want to celebrate can provide healthy alternatives such as fruits and crackers.

The treats are only given out in class on Fridays, regardless of the birthday. The treats must come to the School Office on Friday morning and not be handed into the class room. Birthday treats should not be given to children in the playground after school due to unknown health conditions that some may have.

Well done to the Year 6 pupils who won special commendation prizes for completing the 'Aiming for Excellence' Booklet over the half term break.

This Week's Learning in Violets

After returning from the holidays, Violet class have started their new units in PE. They have been learning how to play badminton and reviewing and improving on their athletics.

In English, We have begun a unit on the Norse myths. We used our drama techniques we learnt during Shakespeare festival to act out stories of the gods using body language and expression. Then, we used our research and computing skills to create fact files about viking gods.

Thor, God of thunder and the skies	
<p>FACTS AT A GLANCE</p> <p>NAME: Thor</p> <p>REALM: Asgard</p> <p>TYPE OF GOD: Asgardian</p> <p>POWERS: Thunder and the skies</p>	<p>Summary of the god</p> <p>Thor was a powerful and respected lord of Asgard who is famously known for his strength and abilities of controlling thunder and being the son of Odin himself. He mostly portrays the image of a protagonist who defeats terrifying foes and creatures of darkness while helping rule the kingdom of the mighty Asgardian culture of otherworldly and strange humans. After he defeats these foes, he makes important decisions at the Asgardian council of Gods and Goddesses.</p> <p>Thor: what foes did he defeat?</p> <p>Hela: Hela was Thor's sister, who was goddess of death. One day, she suddenly attacked the kingdom of Asgard and massacred many civilians while charging through the guards and soldiers.</p>

We can't wait to story our own Norse myth with the year 4 children at the end of the half term!
