

GOVERNORS' REPORTS TO PARENTS

We are inviting all parents to meet the governors and find out about the school's results and future plans. You will also be able to share your ideas and thoughts. If you are able to attend, please visit the school on Monday 14 October at 2:45 PM in PAL Space.

PARENT CONFERENCES

Parent conferences will be on Thursday 24 October and Friday 25 October. Parents are requested to sign-up for a suitable slot with the class teachers. The main purpose of this autumn conference is to discuss and agree how best to support your child's learning. Teachers will share children's strengths and agree targets for the year. Year 5 and 6 will use PAL Space for their conferences and all others will be in the classrooms.

Y2 TRIP TO MONUMENT STATUE

Children in Year 2 have been learning about the Great Fire of London and will be visiting Monument Statue on Monday 14 October to understand how the fire was remembered. They will also have a visitor from Shadwell Fire station to teach fire safety on Friday 18 October.

Y3 TRIP TO IDEA STORE

Year 3 have been learning about the Stone Age - Iron Age and explored how life was different in prehistoric periods in comparison to today. They will be visiting the idea store on Monday 14 October to expand their understanding of materials, how people lived, hunting, cave art and how tools and farming developed.

KEEPING HYDRATED ON TRIPS

Please note that packed lunches that are provided for the children when they are going on trips will no longer include water. This means that you will need to pack a water bottle in your child's bag to ensure that they are well hydrated during the day.

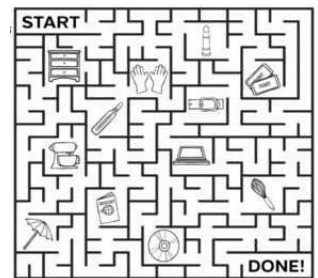

MEETING WITH CLASS TEACHERS

Parents are very welcome to arrange meetings with their child's classteacher to find out how they are doing or to share concerns and suggestions. The school policy is that parents email the classteacher in advance for an appointment. Please [click on this link](#) and then on your child's class for the email address. Kindly note that teachers will provide an appointment within 3 to 10 days having received a request.

Parents are requested to avoid having discussions with teachers at the class door whilst children are being dismissed. Please wait until all children are dismissed to speak to your child's teacher.

MAZE QUIZ

Here's a mini maze for you to try with your child. Try to name the items you see as you pass through the maze.

STARS OF THE WEEK

Lavender	Aleena Karim	Ibraheem Ahmad
Sunflower	Anaya Shaikh	Mahrez Miah
Bluebell	Iram Hajar	Farhin Shrestho
Daffodil	Eva Chowdhury	Musa Ahmed

Poppy	Hena Nadiya	Yaqoob Ahnaf

Parents are requested to check the newsletter over the weekend and inform their children if they are *Star of the Week*. The 'Stars' will be celebrated in Mondays school assembly.

A KIND REMINDER TO ALL PARENTS

We would like to kindly remind all parents to maintain open communication with the school regarding any issues or concerns involving their children. If there is something that needs to be addressed, we encourage parents to speak directly with the teachers rather than approaching other parents, particularly during school drop-off or pick-up times when children are present.

We believe that this approach helps to create a positive and respectful environment for everyone. Thank you for your understanding and cooperation.

BRIGHT MINDS - STAR OF THE WEEK

Group	Name/Star	Reason
Year 4 Shobuj	Khadijah Islam	High expectations
Year 4 Caagar	Zaima Zuharah	Good attitude towards learning
Year 4 Akhdaar	Adam Islam	High expectations
Year 5 Shobuj	Tasnim Alom	High expectations
Year 5 Caagar	Abid Hussain Khan	High expectations and readiness to learn
Year 5 Akhdaar	Nihila Hasan	Continuous dedication to learning
Year 6 Shobuj	Zayd Hoque	Good attendance
Year 6 Caagar	Ripat Alom	Good contribution in BM English
Year 6 Akhdaar	Keyan Humayun	Good attitude towards learning

LOST COATS

Children are encouraged to bring in their coats during the cold weather. However, this does mean coats will be hung around the school. Please remind your children to remember their coats

when moving around the school so it does not get lost. All items of clothing should be marked with their full name in permanent ink.

If your child loses their coat, please ensure you check the lost property box when dropping off or collecting your child from school. You can find this at the side door entrance of the school from the KS1 playground.

MONTHLY MATHS CHALLENGE

Please keep a look out for problem solving maths puzzles in the newsletter for your child to solve. There will be smaller copies of these problems available from your child's class teacher. Once your child has solved the problem, hand these back to the class teacher before the end of the month. Entries will close by Friday 25th October 2024.

The names of the winners will be published the following month with a new problem to solve! We look forward to receiving your entries. Good luck!

This week's learning in Crocus

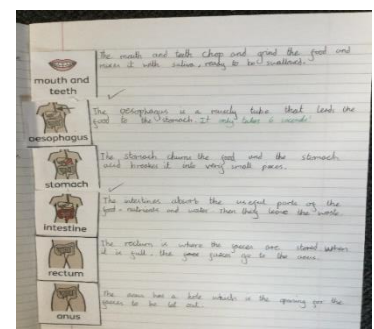

In Crocus class, we have been learning about the digestive system and the function of each of its parts. We know that it begins in our mouth so looking after our dental hygiene is very important. Food then travels through many different parts of our body as it is digested. To help us remember the order and what happens at each stages:

First, we made a working model of the digestive system.

Then, we ordered each part and created actions.

Finally, we wrote the function of each part.

Quote of the Week

'Do what you can, with what you have, where you are'

Theodore Roosevelt

Governors' Report to PARENTS

Monday 14 October

2:45 PM

PAL Space

Meet the governors, share your ideas and thoughts. Find out the school's results and future plans.

You are invited!
