

MACMILLAN COFFEE MORNING

We will be hosting a bake sale to raise money for Macmillan Cancer Support and kindly request parents to bring in cakes for donations. If you cannot bring in food, you can make donations directly.

Please join us for this great cause on Monday 25 November in PAL Space at 9:05am.

MILD ILLNESS GUIDANCE

We know that winter is one of the peak times for adults and children to come down with mild illnesses such as colds, coughs and sore throats. You can still send your child into school if they have a cough or common cold. Use the NHS guidance below to make judgements about mild illness, as well as wider guidance: [NHS Guidance: Is my child too ill for school?](#)

LOCAL WALK FOR NURSERY

Sunflower and Lavender class will be going on a local walk on the morning of Wednesday 27 November. This is to look at buildings in the local area which is part of our learning this half term. We will return to school for lunch. Please ensure that your child is appropriately dressed for the weather.

MEDICATIONS

This is a reminder that if your child has any existing or new medical needs, please speak to the school office and provide us with the relevant care plans, if you have not done so already. You will need to sign the medical needs register form if your child had a medical need in the previous academic year and no longer requires medication for the current academic year. Please note, we will be reaching out to specific parents soon regarding medical needs.

PUNCTUALITY

Parents are gently reminded that the school day begins at 9.00AM. There has recently been a rise in the number of children arriving late for school. Good punctuality is essential for children to achieve their full educational potential. The school gates are open from 8.50AM so parents are encouraged to arrive in a timely manner so children are ready to enter their classrooms and start learning at 9:00 AM. Lost minutes mean lost learning and every minute counts! The gates will close at 9.02AM and anyone arriving after will need to go through the school office and will be marked in as late.

IVY CLASS ICE SKATING

Ivy class will be attending the Canary Wharf Ice Rink on Tuesday 26 November to gain a new experience and understand the importance of balance and coordination as part of their PE curriculum.

YEAR 5 ROYAL OBSERVATORY TRIP

Year 5 will be visiting The Royal Observatory on Tuesday 26 November to develop their knowledge about the solar system, which they can then use to explain about the different planets during their science lessons.

STARS OF THE WEEK
